

REASONS ASR CERTIFICATION IS AN ASSET

ADVANCEMENT

ANIMAL CARE

REGULATION

OPPORTUNITY

Proving you have what it takes to be ASR certified shows your organization and others in the surgical research field that you have knowledge, skills, and ambition.

LEADERSHIP

SERVICE

Holding ASR certification improves the quality of our science, the care of our animals, and helps hold the industry accountable to high standards.

MARKETABILITY

CAREER

KNOWLEDGE

ASR certification requires a rigorous application process, passing a comprehensive surgical research exam, and maintaining continuing education.

SCIENCE

INDUSTRY

JOURNAL of INVESTIGATIVE SURGERY

ASR has an official peer-reviewed journal published bi-monthly. As an ASR member, you have a free subscription to this resource and are encouraged to contribute your own research.
